

# Challenge mode

## Goal

Connect the starting point to the finishing point using the assigned Trix Track parts

**1** Prepare set up parts

**2** Prepare exercise parts

**3** Build set up parts on the board

**4** Start!

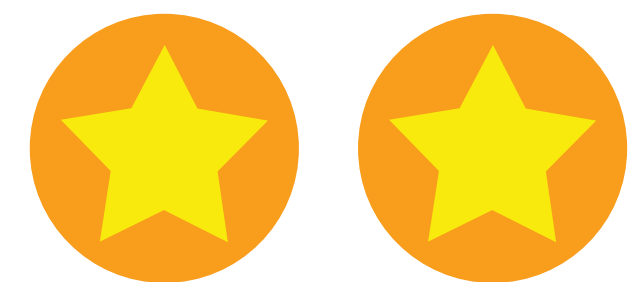

# Challenge mode

## Levels

**Very easy**

**Easy**

**Average**

**Difficult**

**Very difficult**

## Lessons

The exercise comes together with a syllabus that turns theory into practice. Children can see physics in action and develop an understanding of concepts such as distance, velocity, force, gravity, friction, energy and many more.
